Notice of Benefits Available Under the General Assistance Program

MONTHLY BASIC NEEDS ASSISTANCE

General Assistance (GA) provides monthly assistance for basic maintenance needs, including shelter, utilities, food (even if you receive Food Stamps), personal essentials (soap, shampoo, toothpaste, etc.), household supplies (laundry soap, detergent) and clothing. If you have certain allowable special needs, such as a therapeutic diet, amounts may be provided for your special needs.

The maximum amount of monthly benefits for basic maintenance needs will depend upon the size of your assistance unit, who is in the assistance unit and whether you have any income. You are herewith receiving a written copy of those payment levels which you should keep. However, you may not receive the maximum amounts if you have any income or if you do not have a sufficient need for a certain basic maintenance need.

You will not receive cash. If approved, the General Assistance Office will issue "disbursing orders" to vendors to supply you with goods and services. Every month you will be issued disbursing orders totaling the amount of your grant. The disbursing orders may only be used to obtain the basic maintenance needs for which you have been approved.

MEDICAL ASSISTANCE

If approved for GA, you are entitled to have certain medical care paid for unless you are denied medical assistance for a specific reason. Medical assistance is disbursed by direct vendor payment; that is, the General Assistance Office pays the medical provider.

The General Assistance Office only pays for <u>necessary and essential medical services</u> Preventive care is not considered essential. If you have any questions about what types of medical services can be paid for, you should ask personnel of the General Assistance Office.

Unless an emergency exists, you must receive prior approval from the General Assistance Office for medical care, otherwise the General Assistance Office may refuse to pay for such care. You should contact a representative of the General Assistance Office during reasonable hours with a specific request to have medical care authorized.
